Ordination-Advisory Committee

The following guidelines are for the purpose of enabling the Ordination Advisory Committee of the PeeDee Baptist Association, Inc. to assist a church in the examining of a candidate for the Gospel Ministry.

Ordination into the Baptist Ministry concerns both the church which ordains and her sister churches because a candidate ordained by one church will presumably serve other churches and enjoy the public recognition afforded Baptist Ministers.

It is to be clearly understood, however, that the ordaining church is only seeking the advice and counsel of her sister churches through the Ordination Advisory Commitee and that the ordaining church remains the sole authority in determining whether a candidate is to be ordained.

The Ordination Advisory Committee does not examine any person who has not received a specific call to a specific Baptist ministry.

The function of the Ordination Advisory Committee is to examine those persons who have received a specific call to a specific Baptist work.

The following guidelines are to be used by any church of the Pee Dee Baptist Association, Inc. wishing to use the Ordination Advisory Committee to examine a candidate for ordination:

1. The candidate should present themselves to the church testifying to the fact that God has called them to the Gospel Ministry.
2. When the church is satisfied that the candidate is ready for ordination:
   A. The church votes to recommend the candidate to the committee for examination.
   B. The church is expected to make a thorough study of the candidate's moral, ethical, educational, and religious background.
   C. The candidate must write out the following data: a biographical sketch, their conversion experience, their call to the ministry and why they are seeking ordination to the Gospel Ministry as a Baptist.
   D. The above A,B,C, must be forwarded in writing to the chairman of the Ordination Advisory Committee at least two (2) weeks before an examining date can be set or announced.
   E. After the examination of the candidate, the Committee will vote on whether to recommend ordination of the candidate on the basis of the questioning and notify the church in writing of the decision.

Section 6. The COMMITTEE ON NOMINATIONS, composed of six members, shall submit the names of its nominees for department directors to the Executive Board for approval at its April meeting. This approval only qualifies them for spring and summer training opportunities and allows them to begin planning the next year's work and to work with the committee in the selection of those who will work with the committee in the selection of those who will work with their departments. All officers, except the Moderator and Vice-Moderator, who shall be nominated from the floor, shall be nominated by the committee to the Association at its Annual Meeting. This committee shall also nominate representatives for institutions and agencies as directed by the Association.

This committee's nominations shall not preclude nominations from the floor and all nominees shall be contacted before nomination.

Also, be it RESOLVED that we again thank God, the military of the United States and Allies and the supporting citizens of the allied countries, that the "Persian Gulf War" was no more severe than it was; and that we continue to ask God for peace in our world.

Also, be it RESOLVED that we express condolences to those affected by the Imperial Food Products, Inc. fire in Hamlet, NC on September 3, 1991; and that we commend the emergency persons, including ambulance and rescue workers, firemen, peace officers, hospitals, doctors, nurses, Christian ministers, including laity, media (which gave helpful coverage), and any others who helped on that occasion; and

Be it finally RESOLVED that we continue to pray for and cooperate with our total Association; and that we pray for and support those who will lead us in the new Associational year.

49. Special music was presented by the Second Baptist Church.

So Little Time

So little time to say the things you'd really like to say—
Before you ever find the words, the time just slips away.
So little time to do the things you feel that you must do.
So treasure, like the purest gold the time God's given you.
So little time to dream your dreams, for youth has passed its prime,
And all too soon you realize that there's. . .so little time.
So little time to reach the height to which you're bound to climb,
For swiftly pass the waning years, and there's. . .so little time.
So little time for past regrets, and less to make amends,
Yet God can heal the deepest wounds in chosen, cherished friends.
So little time to share God's love and beauty here on earth,
And know before His endless time, their meaning and true worth.
Oh, yes, there is so little time to seek the hidden door
That opens up to Heaven's time, where time's forevermore.

Brotherhood Report

1990-1991 has been an active year for the Brotherhood. We have had four major projects during the year.

Last fall we had Mr. Konstanty Wiazowski, Executive Director of the Baptist Convention of Poland, in our Association for one week. While here he spoke at a number of Churches, civic organizations, and schools. The highlight of his visit was when he spoke at our Annual Fall Men & Boys Banquet and the ladies were invited to this event.

In February we had the Father/Son Race Car Competition at Calvary Baptist Church with a very large group competing. Every boy who entered the competition did a good job and was given some type of an award.

In March we held the state-wide Men & Boys Rally sponsored by Pee Dee Baptist Association Brotherhood. As usual this was the largest project of the year. It has also been the most popular. This project is put on to teach young men and boys that they can be involved in sports activities and not only do it as Christians but also they can be witnesses to those around them. Last year we were limited to only 1,700 seats for the race and we were sold out weeks before the race. This coming year we are limited to 1,800 seats, so if your men and boys want to attend please get your reservations and money in as soon as you are notified.

In June of this year the Pee Dee Baptist Associational Brotherhood acquired a Ford van to be completely rebuilt and then carried to the country of Belize for the missionaries there to use. This is a major project that we in the Associational Brotherhood believe answers the call of Christ to "Go ye into all the world." It is our hope to have the van ready to go to Belize by April 1992. We have several men from the Association who want to help drive it down there. To say the least this is going to be quite a project and quite a trip.

Because of some situations beyond our control we do not plan to have our Fall Fun Day or Men & Boys Banquet this year. However we hope to have it again next year.

As Associational Brotherhood Director I would like to urge each and every Church to consider starting a Baptist Men's Group. There are many needs around us that could be met by Baptist Men. Let's answer the call of Christ and reach out in Christian love to the lost and hurting people around us.

Associational Brotherhood Director

Evangelism Report

Our challenge today is how to implement *"Total Church Life"* in our churches. We can receive help from our Home Mission Board, our Baptist State Convention, and our Associational Evangelism Committee. They will provide you with material to help you challenge your church to exalt the Saviour, equip the Saints, and evangelize the sinners. We must penetrate the geographic area of our churches, and enlist all of our members to participate in meeting their spiritual needs.

Let me suggest five ways you can implement total church life in your church:

1. Make evangelism the priority.
2. Make a large map of your church field.
3. Equip members to go house to house witnessing.
4. Develop a weekly visitation program to reach your community.
5. Discover evangelistic prospects based upon the total penetration of your geographic area.

Take advantage of training opportunities provided by our denomination.

Lewis McLean, Chairman
Evangelism Committee

Stewardship Report

"Witnessing/Giving Life Revivals," a joint effort of the Evangelism Division and the Stewardship Division of the Baptist State Conventions was the focus of the meeting attended by the Associational Stewardship Representative for 1990/91.

A planning meeting was held October 2, 1990 at 6:30 p.m. at Captain Larry's Restaurant, Laurinburg, NC. Approximately 70 representatives from the association attended. Talmadge Williams, Stewardship, and Victor Cole, Evangelism from the Baptist State Convention were the leaders. Materials were given to the church representatives.

The Associational Bold Missions Stewardship Conference was held at Second Baptist Church, Hamlet, NC on February 8, 1991 at 6:15 p.m. The program and conference were well received.

Discipleship Training Report

Discipleship Training is an excellent tool to lead church members in spiritual growth. There are many subjects that can be studied and discussed to help develop the believer. Some of the material will help meet family needs, others will help you understand Baptist beliefs. There is also material available on social concerns. All material can be studied individually or in a group setting. One of the good things about Discipleship Training is that it can be held anytime a person or group chooses, however, there are periodicals available for groups that want to meet at a designated time on Sunday. The opportunities are there. Each church can decide which direction she wants to take.

This past associational year Discipleship Training provided an Interpretation and Information meeting at Beverly Hills Church for pastors and church directors. The meeting was well attended. There were twenty-nine people present and nine churches represented.

During the year we had two children to participate in an Associational Children's Bible Drill, with one advancing to the State. Richard O'Neal, Jr., a member of Beverly Hills Baptist Church, completed the state requirements in the Children's Bible Drill.

This year we are looking for and anticipating more churches and children to be involved in children and youth Bible drills. Information about the drills and youth speaker's tournaments can be obtained from me or the state office.

Plans are now being finalized to have a Deacon/Spouse Conference on November 4, 1991, and a conference on the subject of Satanism on January 16, 1992. I believe these two conferences will be helpful to the members of Pee Dee Association.

If I can help you in Discipleship Training, please do not hesitate to let me know.

Discipleship Training Director

Pastoral Ministries

On May 3 the Baptist State Convention hosted a banquet for the bi-vocational ministers of our association and their spouses. Mr. Robert Stewart, Director of Church Programs Division of the Baptist State Convention, was the speaker. He presented a program on "The Pastor: Team Leader or One Man Show?", which addressed the issue of pastors working in cooperation *with* the people of the church to serve God. Twenty-six people were in attendance.

On August 29, the Pee Dee Association sponsored a fellowship dinner for the ministers of our association and their families. The meal was hosted by Second Baptist Church of Hamlet, and the cultural twist was from the land of Singapore. The program was brought by Ralph and Charlotte Brunson, former missionaries to Singapore. Thirty-four people attended this annual cultural event.

Baptist College Report — 1991

A "new-old" event is about to take place in North Carolina Baptist life: *A Special Committee!*

From time to time we Baptists feel the need to take a hard look at ourselves. We do that through the time-honored practice of asking trusted people to serve on a committee for a year, sometimes two. In 1956, for example, "The Committee of Twenty-Five" began a comprehensive study which eventually embraced all aspects of North Carolina Baptist life. That committee reported to a special session of the Baptist State Convention called for that purpose on May 5-6, 1959. Again, "The Committee of Twenty," appointed in 1967, worked for two years before presenting its comprehensive findings and recommendatons to the Convention in November of 1969. Both of these committees provided clarity and guidance for North Carolina Baptists which endured for many years.

New times call for a fresh look at ourselves. The "new times" which have taken shape in the Southern Baptist Convention since 1979 have particular relevance for institutions, agencies, their trustees and the Convention. North Carolina Baptist institutions and agencies have rendered distinguished Christian service for a total of 1,108 years! New times call for a new look by a competent special committee.

In May the General Board approved a 17-member "Institutions Relations Committee." Lamar Brooks, Wilmington, is chairman. Other members are: Jean P. Abernethy, Marion; Dot Allred, Gastonia; Curtis Lee Barbery, Bennett; Harold Bennett, Boone; Don Bolden, Burlington; Caralie Brown, Raleigh; Kathryn H. Hamrick, Shelby; John H. Hewett, Asheville; Milton A. Hollifield, Jr., Stanley; John M. Hough, Jr., Salisbury; James H. Johnson, Candler; Robert B. Poole, Elizabeth City; George W. Pullium, Jr., Knightdale; Hobart Smith, Charlotte; A. Eugene Warren, Charlotte; J.L. Wilson Winston-Salem. Their report is due in November, 1992.

The "new-old" way of study and thought is the North Carolina Baptist, tried-and-true way to confront changing times. We thank these 17 good men and women who will help us to shape the future together in harmony. They request and deserve our fervent prayers.

BCH Gives Children a Chance.

For an institution that's 106 years old, Baptist Children's Homes of North Carolina (BCH) looks strongly to the future!

Three pillars that uphold that futuristic foundation are: **1. The return of the Thanksgiving Offering beginning in November 1991; 2. The success of our "Give a child a chance!' financial campaign, and 3. Baptists' continued support of BCH through the Cooperative Program.**

This financial undergirding made it possible for BCH to serve more than 1,200 children and families last year through facilities at 13 locations across the state. Because Baptists cared enough to give, residents like Lynn will go to Wingate College this fall; Chris graduated from UNC-Chapel Hill; Jennifer is in her second year at Haywood Community College and Mark earned a football scholarship to North Carolina A & T. Each of these lives proceeds on firm footing because Baptist Children's Homes was there and paved their pathway.

Most BCH residents come from dysfunctional families where a single parent, most often a mother, simply is unable to care for her children. Her frustration with life leads to limitless freedom for the children, which leads to troubling behavior. Physical abuse, divorce, alcohol, drugs and truancy mark their young lives.

Baptist Children's Homes provides a safe environment where children learn to name their problems and address them to change behavior. At the same time, willing family members also are addressing their problems with the help of BCH social workers. In many cases, children and families are restored.

BCH's "Give a child a chance!" campaign is raising $11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment. Gifts and pledges through July totaled $9.3 million and response across the state has been overwhelming and heart gratifying.

Last year Baptist Men of North Carolina helped construct the new Tommy and Jeanie Eller Chuckwagon at Cameron Boys Camp that was dedicated May 19.

BCH celebrated this spring the 20th anniversary of the founding of Broyhill Home, our westernmost campus, in Waynesville/Clyde. With the help of J.E. Broyhill and his family, the home was opened in 1971 on 91 hilly acres. It has capacity for 48 children in group care and for eight girls in emergency care.

In August 1990 BCH began the Gregg Children's Center for before and after school care. The Davidson County program offers security to children of working couples, who now don't have to go home to empty houses.

Children's hopes the world over have been bolstered by the 1991 return of the Thanksgiving Offering voted by messengers to the 1989 state convention. While suffering through its 13-year absence, BCH lost more than $2 million in potential gifts. Our goal this year is $500,000. Because of a partnership established in December with the Baptist Children's Homes of Sao Paulo, Brazil, *BCH-North Carolina will donate 10 percent of everything it receives over the $500,000 goal for work in that desperately needy land.*

In August 1990, BCH signed an agreement with Gaston County Department of Social Services to operate two emergency care homes owned by the county. That raises to seven the number of emergency care home BCH operates. Emergency care, in which a child at risk of abuse or neglect can receive shelter right away, is the service most in demand throughout the state. Children stay a maximum of 60 days while BCH works with the custodian to determine a long-term plan of care.

The Cooperative Program continues to anchor our budget planning from the churches. We urge renewed commitment to cooperative goving among our North Carolina churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receives $1.5 million from Cooperative Program receipts each year. This is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

Baptist Children's Homes has a 106-year history. But its history is just the knot that ties it to a boundless, unbroken ribbon of promise that stretches beyond the future to wrap children and families with eternal blessings.

The Biblical Recorder

The Baptist world is changing rapidly; some would contend it is for good while others think it is nothing short of a tragedy.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The *Biblical Recorder* was born and continues to serve for that purpose.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic, fast-food, everything is disposable age! We often think we know the answers only to discover later we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches and the denomination they comprise, can survive long without an informed, involved constituency which makes corporate decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your hèlp!

In order to save churches large amounts of money and to increase the readership of the *Recorder*, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church newsletter incorporated into the *Biblical Recorder* which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. We are steadily adding churches to the CNS program.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry.

Never has God given Baptists a greater opportunity; never have there been as many difficulties and obstacles to overcome. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

Retirement Village Chaplain

We have had good attendance at all of our meetings. On the third Thursday of each month, we have a covered dish supper and special gatherings every 3 months and at Christmas. At Thanksgiving we had turkey with all the trimmings and during the summer we had watermelon and ice cream.

We have lost some by death and others have had to go to rest homes. There are about 13 attending now, but we hope to have more soon. Pray for this work. It's just wonderful to be a part of it.

Sunday School Report

As Pee Dee Baptist churches enter the second year of "Breakthrough" we are going under the banner of "Breakthrough - Teach the Bible to Win." We will be going with a new improved Sunday School literature. There are four major areas that Sunday School literature has been improved.

1. Stronger emphasis on the Bible. There is expanded space for Bible exposition.

2. Added evangelism and application. Evangelistic content and emphasis are clearly identified in Older Children, Youth, and Adult lessons. Special evangelistic leaflets are available.
3. Easier to use. There are new layouts, step by step teaching procedures and better co-ordination between pupil and teacher's books.
4. More attractive. The appearance is more attractive and eye catching.

Improvements in our literature have not been made for the sake of change. They are intended to help your church "breakthrough" in evangelism, enrollment, attendance, teaching, learning, and ministering.

Annuity Board Report

Jim Lambert, Administrative Associate for Minister Support of the Baptists of the North Carolina Baptist Convention, gives some interesting and challenging facts about help for churches and ministers of the Convention.

There are Baptists ministers' families who are having a financial struggle because of the disability or death of a minister. This is true because of the minister of the church (or both) have not participated in the Protection Section of the Church Annuity Plan which is provided by the state convention.

Take a look at these benefits:

. . .up to $67,500 in special survivor benefits if you die prior to retirement, or while receiving a disability benefit.

. . .up to $300 a month if you become disabled and unable to perform any gainful employment due to physical or mental incapacity.

Additionally, up to $35 each month can be credited to your retirement income account during your disability and your survival benefits will remain.

This valuable protection is funded from Cooperative Program dollars that match dollars contributed to your account by you and your church.

North Carolina now has 3,396 members making contributions to Annuity Board Retirement plans. But there is still much to be done. Churches should see that they are responsible employers and help their ministers better prepare for the future.

For more information about enrolling in the Church Annuity Plan, call the annuity Board's toll free number, 1-800-262-0511 or the Associational office.

Senior Adults

The Pee Dee Baptist Association Adult Ministry has continued to grow with enthusiasm. The majority of our churches now have an active Senior Adult organization in which they meet monthly for food, fun, and Christian fellowship.

The only combined meeting we have had during the associational year was a Christmas party at McDonald Church. This was a catered meal with 168 attending. Needless to say a good time was had by all.

I would like to express out thanks to our former D.O.M. Dr. Ben Gault for his concern and support with the Senior Adults.

Plans are already being made for 1991-1992. Please pray and support this group of dedicated older Christian citizens.

Summary of Activities:

This has been an exciting year in prison ministry. Some very thrilling events have happened at the unit. Last October a former inmate of almost ten years ago gave his testimony, relating how Christ confronted him and changed his life. Also, during the month of October your chaplain performed a wedding ceremony for an inmate from Rockingham.

December was a joyful time at the unit, mainly because of the many generous gifts made possible by our Associational Baptist Women. The Persian Gulf conflict revived many men to Bible events; but the interest quickly subsided after the victory.

A policy change came about and drastically reduced church attendance in March. Family and friends of inmates can no longer attend worship services.

A ground-breaking for our new Chapel took place in May, but that victory's sweetness was short-lived because of the news that the state appropriated money was frozen because of the tight economy in state monies.

September was a traumatic time for four inmates whose wives worked at Imperial Foods in Hamlet. Thankfully, none of them lost their lives as a result of this fire, although one was in very critical condition at Duke Hospital. As of this report, she is out of intensive care.

Scotland County Prison Ministry Report

Prison ministry over the last year has been a most rewarding ministry for myself, and I feel rewarding for some of the inmates at Wagram Prison.

My activities are Wednesday's from 9:00 a.m. to 1:00 p.m. and Thursday evening 7:30 until 9:00 p.m.

Wednesdays I am free to roam the camp as if I were one of the prisoners, having access to all inmates, even in lock-up or where the bad-behavior guys go. After months of consistent visitation with the inmates, I find an eagerness on the part of some to hear the Gospel of our Lord. Many will allow me to open the Bible and share Christ with them.

Thursday nights, men from Second Baptist, Hamlet, and Stewartsville Baptist, Laurinburg have worship service in a trailer at the unit. Our attendance has been up and down. Of course, with any work of God that adheres to the Truth of the Word of God, there is opposition. Our greatest setback is the professing Christians in the camp are consistantly criticizing each other and not praying for and loving his brother. Sounds like some of our churches, huh?

There has been a tremendous amount of literature placed in the hands of the inmates. There is a large number of Bibles on the unit.

We have had several conversions, no baptisms, and quite a few re-dedications, and I don't know how much jail-house religion. I think the greatest blessing God is doing in the unit is the maturing of many Christians on the unit through the study of His Holy Word.

I might add that the Lord has a tremendous witness on the unit and his name is Larry Chavis. Please pray that God will start revival with him. Larry is well respected by the unsaved as well as the saved because as they say "he lives what he says, and he is a praying man."

May the Lord bless and keep you all.

Baptist Retirement Homes of North Carolina, Inc.

1991: Making Life for Older Adults the Best of Times

The Baptist Retirement Homes of North Carolina, Inc. operates four residential facilities for Older Adults around the State — Albemarle Baptist Home in the Southern Piedmont, the Western North Carolina Baptist Home in Asheville, the Hamilton Baptist Home in Estern North Carolina, and the Brookridge Retirement Community in Winston-Salem.

In Asheville, 1991 began with a great deal of excitement. After more than five years of trying to receive state approval to build a nursing care bed addition, the Baptist Retirement Homes was awarded a Certificate of Need for 100 medicaid certified nursing care beds for its Western North Carolina Baptist Home on Richmond Hill in Northwest Asheville. Currently the only nursing care provided by the Baptist Retirement Homes is the 85 bed nursing care unit at the Brookridge Retirement Community in Winston-Salem. The addition of 100 medicaid certified beds will mean that quality nursing care can be offered to Western North Carolina Baptists regardless of their ability to pay for the institutional services that they need.

The 39,000 square foot addition will cost approximately $2.8 million. At the present time, the Baptist Retirement Homes has raised approximately $2 million of the $2.8 million needed to make this long hoped for dream a reality. Baptists across Western North Carolina are being urged to help Baptist Retirement Homes meet the financial challenge of building this new unit on Richmond Hill.

In Winston-Salem, the Brookridge Retirement Community completed its second year of operation. Under the leadership of a well-trained and committed Christian staff, the Brookridge Retirement Community's Independent Living area and Health Care Unit are considered among the finest in the state.

In Albemarle and Hamilton, Assisted Living care is provided to Older Adults in residential settings. The Albemarle and Hamilton facilities offer quality care to Older Adults regardless of their ability to pay for the cost of the care they receive. . .a service unmatched by any other church related long-term care institution in this state.

Please support our ministry with your prayers and financial resources. Help us make life for Baptist Older Adults. . .The Best of Times!

North Carolina Baptist Hospital

On July 11, 1991 our Association hosted its first associational banquet for Baptist Hospital at Roberdel Baptist Church. Calvin Knight, Director of Church and Community Relations, brought a brief report on the work being done at Baptist Hospital. There were 36 persons in attendance.

1991 marks the 50th anniversary of Baptist Hospital and Bowman Gray School of Medicine of Wake Forest University entering into a partnership to form one of the 126 academic medical centers in the nation.

This partnership makes it possible for the Hospital to offer its patients the most advanced technology for diagnosing and treating their health problems. Our is on of 15 medical centers in the nation involved in clinical trials of a new coronary laser which vaporizes plaque in blocked coronary arteries. We are one of five centers in the U.S. conducting clinical trials in stereotactic radiosurgery, a procedure in which high-energy beams of radiation from a linear accelerator are focused by computers on brain tumors and lesions to destroy them. This procedure can be done on an outpatient basis. We are one of 24 Comprehensive Cancer Centers in the nation. We are the designated organ procurement agency for northwest North Carolina, and we recently received approval to begin performing pancreatic transplants this year. Early in 1992, we expect to open our new Center for Positron Emission Tomography, one of the most advanced radiological services which is capable of measuring the chemical structure of the body. This new diagnostic procedure promises to make possible earlier detection, and hence, earlier treatment of tumors, hopefully, improving the outcome of the treatment.

This past year, Baptist Hospital was re-accredited by the Joint Commission on Accreditation of Health Care Organizations, and the survey ranked it in the top 10 percent of hospitals in the nation. According to a recent report from the N.C. Medical Database Commission, average charges for care at Baptist Hospital are 10 percent below the average charges for similar diagnoses in hospitals statewide, and substantially lower than charges in the other North Carolina academic medical centers.

The Pastoral Care Department, which is funded in part through the Cooperative Program, provided Clinical Pastoral Education to 42 students during the past year. The Pastoral Care staff provided more then 54,000 specific ministries to hospital patients, family members, and staff. And, the counseling division provided over 21,700 counseling sessions.

For the first time since 1978, a Mother's Day Offering exclusively for Baptist Hospital Benevolent Care was received in North Carolina Baptist Churches. The staff and patients at Baptist Hospital are profoundly grateful to North Carolina Baptists for this support.

1991 Prayer Task Force Report

"A Spiritual Awakening will begin at Hamlet First Baptist Church," was prophesied to Dr. Edwin Orr at Ridgecrest in 1981. Ten years later, Billy Dennis, Min. Ed. of HFBC and Rev. David Sparks were seen in the pulpit at Hamlet First Baptist Church throughout the world on CNN News.

A tragedy, 25 people killed in a fire in a Hamlet chicken processing plant, brought bereaved families, friends, ministers, government officials and worldwide news people to Hamlet First Baptist Church to lift their hearts, souls, minds and voices to God in prayer. People worldwide united in prayer.

God is still crying out to His people, *"If my people which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sins, and will heal their land."* 2 Chron. 7:14

Associational Prayer Task Force committee members learned that many churches are obeying God's command through various prayer ministries.

Roberdel has a men's prayer breakfast and a prayer task force that make hundreds of visits to minister, comfort and lead lost souls to Christ. Other ministries have developed through prayer.

Rockingham First has a prayer room with a prayer-line. Seventy members pray seven days a week for seven people on the church long-range planning committee. Prayer and God's Power through Pastor John Brady led to the establishment of the **Ellerbe Spanish Church** which has two prayer groups.

Brady, Leon Hawks, Dr. Ben Gault and the AMDP Committee prayed several years before God provided the plans, means and director for the **Potter's House.** This mission still needs prayer power and support.

Some churches have prayer chains, morning, afternoon or Sunday night groups. **Pine Grove** and **Hamlet First** have cottage prayer meetings. **New Hope** SS Superintendent, Sunday School teachers and deacons pray with pastor Sunday morning. **Stewartsville** has dedicated prayer warriors. **Cobb Memorial** has seen God move since many pray before each service.

Associational WMU Council has a prayer chain to pray for emergencies and to contact BW prayer groups.

Some churches that have no prayer emphasis will ask seven people to pray for God's Power to flow through their pastor. When the Power is turned on, the prayer line of the church will light up igniting a Spiritual Awakening.

WMU Report

As women "empowered" by His spirit our job has been to create a spiritual climate in which people were led to rely on the Holy Spirit as the source of their power to reclaim the meaning of missions, and to risk personal involvement.

By working together as a team we have accomplished the following:

September - Leadership training for local church age level leaders plus specialized classes, Roberdel Baptist church. This year training will be October 8 at Stewartsville.

November - BW/BYW World Day of Prayer, South Laurinburg Baptist Church. This included B.W.A. Women's work offering, a covered dish meal, fellowship and prayer.

December - Associational Mission Action project, Christmas gift boxes for prisoners at the Richmond and Scotland prison units and both county jails. This involves almost every local church. Over 300 gift boxes.

February - BW/BYW Sweetheart Banquet, Calvary Baptist Church. One of our most popular associational events.

March - Both, Dot and Vivian attended the State annual WMU meeting in Winston-Salem.

April - Associational annual meeting, Mt. Olive, Wanda Collier formerly from Pee Dee Baptist Association now serving as State Executive WMU Director for Montana was guest speaker.

June - Twelve council members attended leadership workshop, Caraway. Three attended WMU week at Ridgecrest.

July - Regional WMU training session at Rockingham First Baptist.

August - Attended farewell reception for Director of Missions.

September - BW/BYW Salad Supper at Second Baptist Church. the 1991-92 WMU theme "Called and Accountable" was carried out through drama, testimonies, and prayer.

Marsha McQueen, state WMU representative, met with the council for a "Going out on a Limb" brainstorming session on May 20th.

Thanks to all that made our Fair and John Blue Festival ministries so successful. The booth workers, clowns, gospel singers, face painters, those who baked cakes, served coffee, lemonade, cookies, handed out tracts, Bibles, gifts and those who loaned antiques for display.

Three of our council members served in some position on the State level.

As your council we have been available to help from starting new organizations, teaching workshops, mission studies, prayer retreats to numerous telephone consultations.

We are here to serve the local church.

2. Group number on Committee: 5 plus the D.O.M., Potter's House Director, and the moderator. The nominating committee will seek interested people to serve. If a member is unable to attend the meetings for a period of six months, the Nominating Committee is to submit a replacement nominee to the Executive Committee.
3. Responsibilities:
    a. Support of Director
    b. General finance management for the day to day operations of Potter's House and review the financial situation monthly.

c. Have representative to report on ministry programs and financial situations monthly to AMDP and quarterly to the Executive Committee and annually to the Annual meeting of the association.
d. Promote the involvement of volunteers from *all* the churches in the Pee Dee Association and the community at large.

4. To work through the Pee Dee Baptist Associational office to implement and carry out the accounting process.
5. Tax Status: The Potter's House is an agency of the Pee Dee Baptist Association and is entitled to the use of the tax exempt status with regular reports made to the association and the IRS.
6. By July 1st of every year the Advisory Committee of the Potter's House will take a look at the finances of the Potter's House and after assessing the finances, they would leave one month's operating expense in the regular checking account and three month's operating expense in a reserve account. The net monies would then be available for Church Planting/Church Development projects coordinated by the AMDP. A minimum of 10% would be used outside Pee Dee Baptist Association for Church Development/Church Planting.

The Associational Missions Development Program Committee

The AMPD has been very busy during 1990-91 year. Our work includes the following areas: Mission trips, Watchcare of new churches, Camp, Prayer Task Force, Race Ministry, Migrant/Hispanic Outreach and Potter's House Ministry. As you can see many people and organizations of our association have been involved in the missions development program of the Pee Dee Baptist Association. I thank God that He has called out so many people to be involved in His work through our association.

The Fair Ministry now led by Clara Strickland continues to be an effective outreach in both Richmond and Scotland Counties. The theme was "We give freely because God gives freely to us." Tracts and other items with a message about God's love on them were given away. Others involved communicated God's love through clowning and face painting. In a special effort to reach out to the fair workers and Hamlet Lions Club members, 40 cakes were baked and given away. God has blessed our outreach through this ministry.

Our Summer Camp ministry led by David Sparks got back on track this year. They had 39 campers. We all join them in praising God for the 13 professions of faith made during this week.

Our Prison Ministry continues with leadership from Liberty Koontz and Daryl Wrape. Our WMU is continuing its project of the Christmas packages for the prisoners.

We also have a volunteer Retirement Chaplain, Wilbur Sullivan, who works with the Holiday Village Apartments. His ministry continues to grow and we are grateful for his ministry there.

Rickey Hughes, pastor of Cartledge Creek Baptist Church, led an associational mission trip to Pilgrim, Kentucky this summer where our mission team built a house for the pastor of Mt. Buelah Baptist Church. VBS and Backyard Bible Clubs were held and 7 people made professions of faith from this ministry. John Brady and Rickey Hughes held revivals at two of the churches while there.

The Race Track Ministry continues to carry the message of God's love to the thousands of race fans that come to North Carolina Motor Speedway. This year we have

two mission volunteers who are spending the entire week working with the fans and distributing our flyers.

Our Hispanic work, led by Cirilo Sanchez, put a special emphasis this year on showing videos like *The Jesus* movie to the Migrant workers. This resulted in many praying to receive Christ. This is our fourth summer working with the Migrants. We have seen a core group of Migrants changed because of their relationship with Christ. Cirilo's work with the year-round Hispanic residents continues to grow.

Last year we were still dreaming about the development of the Potter's House. Since then the Lord led Frances Caudle to be our director. This ministry is located on US #1 North just past Tom's Burgers. Volunteers from 14 of our churches work in this ministry. Several hundred people benefited from the touch of the Master Potter through the Potter's House. Not only have material needs been met through this outreach but Christ has been shared through personal witnessing, giving away copies of the Bible and other Christian literature.

The Association gave the AMDP the responsibility to work with two churches under watchcare. We are pleased to recommend Mt. Calvary Baptist Church to be taken into our association as a member in full standing. David Jay and the congregation worked hard with our committee in the areas of leadership training, literature and mission giving.

The AMDP, after considerable work with Doyle and Judy West, came to the conclusion that their ministry has very little likelihood of becoming a church. Therefore we do not recommend that Abundant Life be given membership in our association.

Finally we need to report to the association that Richmond Baptist Church has dissolved itself. Therefore its name needs to be removed from our roll.

We ask that you all pray that God continues to work in our midst as our churches seek to do His will.

AMDP Chairman

Report of the Ordination Advisory Committee Pee Dee Baptist Association

October, 1991

The Ordination Advisory Committee serves at the request of the churches of the Association. "The ordaining church is only seeking advice and counsel of her sister churches through the Ordination Advisory Committee, and the ordaining church remains the sole authority in determining whether a candidate is to be ordained." (from Ordination Advisory Committee Guidelines).

Also, the Ordination Advisory Committee "does not examine any person who has not received a specific call to a specific Baptist ministry." (Guidelines).

When the examination of a candidate occurs, the Ordination Advisory Committee follows an outline based on the **Baptist Faith and Message** statement.

During the past Associational year, the committee has examined:

Danny Hayes—requested by Second Baptist Church
Juan Mercado—requested by Second Baptist Church
Billy Dennis—requested by Faith Baptist Church
John Johnson—requested by First Baptist Church, Ellerbe

In each case, the Ordination Advisory Committee advised the requesting churches to proceed with the ordination.

We commend these candidates for their commitment, call, and capacity for Christian ministry.

Respectfully submitted,
William W. Leathers, III
Chairperson, Ordination Advisory Committee

Section 5. The ORDINATION-ADVISORY COMMITTEE, composed of six ordained ministers, shall, when requested by a participating church, assist the participating church with the examination of a candidate for the gospel ministry.

Ordination-Advisory Committee

The following guidelines are for the purpose of enabling the Ordination Advisory Committee of the Pee Dee Baptist Association, Inc. to assist a church in the examining of a candidate for the Gospel Ministry.

Ordination into the Baptist Ministry concerns both the church which ordains and her sister churches because a candidate ordained by one church will presumably serve other churches and enjoy the public recognition afforded Baptist Ministers.

It is to be clearly understood, however, that the ordaining church is only seeking the advice and counsel of her sister churches through the Ordination Advisory Commitee and that the ordaining church remains the sole authority in determining whether a candidate is to be ordained.

The Ordination Advisory Committee does not examine any person who has not received a specific call to a specific Baptist ministry.

The function of the Ordination Advisory Committee is to examine those persons who have received a specific call to a specific Baptist work.

The following guidelines are to be used by any church of the Pee Dee Baptist Association, Inc. wishing to use the Ordination Advisory Committee to examine a candidate for ordination:

1. The candidate should present themselves to the church testifying to the fact that God has called them to the Gospel Ministry.
2. When the church is satisfied that the candidate is ready for ordination:
   A. The church votes to recommend the candidate to the committee for examination.
   B. The church is expected to make a thorough study of the candidate's moral, ethical, educational, and religious background.
   C. The candidate must write out the following data: a biographical sketch, their conversion experience, their call to the ministry and why they are seeking ordination to the Gospel Ministry as a Baptist.
   D. The above A,B,C, must be forwarded in writing to the chairman of the Ordination Advisory Committee at least two (2) weeks before an examining date can be set or announced.
   E. After the examination of the candidate, the Committee will vote on whether to recommend ordination of the candidate on the basis of the questioning and notify the church in writing of the decision.

Section 6. The COMMITTEE ON NOMINATIONS, composed of six members, shall submit the names of its nominees for department directors to the Executive Board for approval at its April meeting. This approval only qualifies them for spring and summer training opportunities and allows them to begin planning the next year's work and to work with the committee in the selection of those who will work with the committee in the selection of those who will work with their departments. All officers, except the Moderator and Vice-Moderator, who shall be nominated from the floor, shall be nominated by the committee to the Association at its Annual Meeting. This committee shall also nominate representatives for institutions and agencies as directed by the Association.

Stewardship Report

Tax Seminars for pastors, treasurers, finance committees, budget committees, and other interested in the stewardship were held at Stewartsville Baptist Church on November 5, 1991 and at Roberdel Baptist Church on November 9, 1991. The seminars were reasonably well attended and results have been very positive. We encourage each church to send representatives to those which will be held in November 1992.

"The Church's Stewardship Ministry" is the primary emphasis of the Stewardship Division. A conference was held to promote this effort and train attendees on May 28, 1992 at Captain Larry's, Rockingham. The conference was well attended by representatives from most of the association's churches. O.D. Martin, Jr. from the Baptist State Convention led the conference.

The 1993 Stewardship emphasis in the churches will be "Live Wisely" (an emphasis on Christian Money Management). Ken Batts of the Stewardship Division will lead the conference which will be held May 20, 1993 at Captain Larry's Rockingham.

At the Association Key Leadership Conference held May 4-5, 1992 at N.C. Baptist Assembly, attendees were challenged to the Bold Mission Tasks of the years ahead. Sessions on "The Church's Stewardship Ministry" principles and plans; "Live Wisely", a money management interpretation tool; and a new mission support emphasis "One for All", a focus on local church involvement, were attended and found to be informative and helpful.

Sunday School

Pee Dee Baptist Churches have now experienced two BREAKTHROUGH years in 1990-91 and 1991-92. Some gains in enrollment and attendance show growth in our Sunday Schools. We praise God for the lives changed as a result of Bible Study.

The theme for the 1992-93 Sunday School is "BREAKTHROUGH - Equip to Win." It is suggested that each church set 9.3 percent increase as goals for enrollment, average attendance, unsaved enrolled, leadership training awards, and three or more reachout groups with a one to 15 ratio of baptisms to Sunday School enrollment.

If we are to truly challenge our two counties to share the Word of God with every person, then Christians must be equipped to face the needs of an indifferent society.

It will take no less than deeply committed disciples to achieve the Great Commission work. Sunday School teachers must be trained and better prepared than ever before. Maybe people don't come to your Sunday School because they have been there. It's time to change the half-hearted commitment and the covering of lessons. No more! We must equip our leadership to teach the Bible to change lives, to live the gospel, to become soul-winners in our classes, to be prayer-warriors, and to minister to needs with love and compassion. With this in mind the challenge is given to each of our churches to increase the prayer ministry through Sunday School classes. Allow God to transform your class members through prayer meetings. I remember in Seminary that a Professor's teaching of God's Word often resulted in prayer meetings that brought revival among young preachers. Pray and teach God's Word and His Holy Spirit will transform your Sunday School.

Along with prayer train your leaders. Our goal is to increase our study course awards. The leadership training opportunities available in the coming year are included in the Associational Calendar and these are important to equip your leaders to teach God's Word.

Also, our Assist team is available for consultation and age-group training. Our Assist Team is equipped to help you in teaching God's Word faithfully. As a result of our Assist Team's work in our association we have achieved Standard for the past two years. We hope every church will call us to help. If not then expect a call from us as we hope to get into every church to help you build a stronger Sunday School as we BREAKTHROUGH into the 90's.

Associational Sunday School Director

North Carolina Baptist Foundation, Inc.

Below is an official report from the NC Baptist Foundation, Inc. As a representative from our Association I attended a 2-day workshop at Camp Caraway conducted by the Foundation. We were given information on charitable giving, trust, wills, and a detailed explanation of the Foundation's activities, role and function. As a result of this, I am to act as liaison with anyone in our Association desiring more and/or specific information. A short program is to be developed which can be presented to small groups who desire to have this type information. In the meantime, I can be reached at 919/895-2903 or 919/895-5325 or by mail at 720 Scotland Avenue, Rockingham, NC 28379 to assist anyone in the charitable-perpetual giving area.

The North Carolina Baptist Foundation, as an agency of the Baptist State Convention of North Carolina, is committed under the guidance of the Holy Spirit in Serving North Carolina Baptists and others in generating an increased awareness of Christian estate stewardship principals as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis.

Assets are managed under the direction of the Foundation Board of Directors with interest income being paid either in perpetuity to Baptist causes named by the donor or to the donor (or heirs) for their lifetime (or specific period of time) before the income

is then paid in perpetuity to the named Baptist causes.

Earned income distributed and paid to Baptist churches, institutions and mission causes during fiscal year 1991:	$ 1,100,606
Earned income distributed and paid to individuals (with Baptist causes named as future beneficiaries) during the fiscal year 1991:	1,062,643
Total market value of Foundation assets, December 31, 1991:	36,283,384

During 1991, the Board of Directors, with the assistance of a nationally recognized investment consulting firm, adopted a detailed Investment Policy to govern the types of investments that its fiscal agents may make in keeping with the Christian commitment of the Foundation, as well as attempt to insure that the future spending value of the invested trust fund dollar will keep up with inflation. A study revealed that during the past five years the fiscal agents managing the Foundation assets ranked near the top nationally with other investment managers who operate under investment guidelines similar to the ones provided by the Foundation Board.

The Foundation staff and operations are housed in a building adjacent to the Baptist State Convention Building in Cary. Individuals and church groups are invited to call and arrange a visit of their Trust Agency's office building.

Report of the Scholarship Committee

The Scholarship Committee met on April 16, 1992 and awarded two scholarships, one for $1,000 to Melissa Nethrey, attending Southern Baptist Seminary and one for $500 to Dennis McDonald, attending Fruitland Baptist Bible Institute.

1992 Seminary Extension Report

During our 1992 Key Leadership Conference it was brought to our attention how much Seminary Extension has improved over the past few years. Did you know that according to available statistics, approximately fifty percent of the pastors in the Southern Baptist Convention do not have seminary training? Through Seminary Extension this training can be received for Pastors and laymen as well. There is such a wide range of certificates, Seminary Extension Diplomas, and Seminary Diplomas that can be received through Seminary Extension. Churches can offer many of these courses to their ministering laymen, and receive not only Seminary Extension credit but Church Study Course credit as well. Seminary Extension ranges from basic curriculum courses (sixth grade level) to Seminary Diploma Plan (college level). It has Clinical Pastoral training, Ethnic Ministry training, Ecclesiology, Biblical, Theological, and training in the practical area.

We intend to get people excited about Seminary Extension in our Association this year. We have people certified and ready to teach. Part of this study may be done in

class, but at least half may be done in your own home at your own pace. It is also an excellent course of study for prison inmates. For more information and material on Seminary Extension get in contact with me through the associational office or Corbin Cooper at the State Convention office in Cary.

Annuity Board Report

A growing number of churches and ministers are catching a vision for insurance protection and preparation for retirement. Unfortunately, far too many pastors, other ministers and church and associational personnel do not have adequate financial protection. The Annuity Board's primary focus for 1992 and 1993 is on enrolling as many people and churches as possible in the Church Life and Health Program and the Church Annuity Plan.

New medical plans will be offered on January 1, 1993, as options to address the affordability issue.

The Church Annuity Plan is far more than a retirement plan. It is a means to provide family protection today as well as financial security tomorrow. As of May 1992, 34,571 persons were participating in the Church Annuity Plan. This is the highest number of members in the history of the Plan. The number of churches involved was 19,930. Every church in the association is encouraged to participate in the Church Annuity Plan. This is one positive way of supporting God's called servants to give their best to His service. The Ministry of the Annuity Board is "Serving Those Who Serve the Lord."

Director of Missions

During the first six months as Director of Missions I have visited in all of our churches at least one time. I have participated in 77 worship services and attended nine of our churches in revival. I have participated in over 75 other committee or organizational meetings in our churches. I have traveled over 12,000 miles in these six months.

That is the statistics but I don't believe that is what is important. The important part is that I have gone into the churches, got to know more of you and have felt welcome at home in all of our churches.

We have had a good year with all of our programs and are looking forward to the new associational year. We are trying to promote a program that will strengthen all of our churches and further the churches ministry in our area. We need your help and your suggestions in getting the task done.

1992 - Making Life for Older Adults the Best of Times

One of the greatest needs facing North Carolina Baptists as they move into 1993 is the ability to provide affordable quality long-term care services to the "Aged Saints": of our Convention.

The fastest growing segment of North Carolina Baptist life are those individuals in the age category of 85 and older. That age group is growing at five times the rate of any other population segment in Baptist life. The 85 and older age group is also that most likely to need the services provided by a long-term care institution like Baptist Retirement Homes.

Unfortunately in 1992 in our State, there were not enough nursing care beds to meet the needs of the growing number of Older Adults who were functionally impaired and needed the services of a long-term care provider. Complicating the shortage problem was the fact that the cost of those beds was higher (more than the average North Carolina Baptist Older Adult could pay). And to make matters even worse, in spite of the high cost of beds, often the quality of care provided through those beds was fair at best. In other words, the greatest problem facing North Carolina Baptist Older Adults in 1992 was the fact that there were simply not enough affordable quality nursing care beds available for use by people like you and me and our Older family members.

In 1992, North Carolina Baptists through their gifts to the Cooperative Program and North Carolina Offering for Older Adults made it possible for Baptist Retirement Homes to provide financial assistance to more than 60 percent of all the Older Adults living in its health care related facilities. In addition, Western North Carolina Baptists contributed more than $2.5 million toward the construction of the new Rickman Nursing Care Center is Asheville. . .a new facility that will enable Baptist Retirement Homes to make life for many Western North Carolina Baptist truly. . .the Best of Times.

Thank you North Carolina Baptists for your support. Please continue to pray for our ministry and its ability to meet the ever growing needs of the Older Adults of our convention.

Evangelism Report

In the fourth chapter of II Timothy Paul the Apostle admonished Timothy to do the work of an evangelist. Evangelism has long been understood as the key to souls won and growing churches. Your Association in cooperation with State Convention continues to offer opportunities for encouraging evangelism in the local church and association.

A Regional Evangelism Conference was held in October, a State Evangelism Conference in February, and a State Evangelism Workshop in May. A lay renewal meeting was also held in May at First Baptist, Hamlet.

Your Association and Evangelism Committee has been pursuing an area-wide crusade. Tentative plans are for a Jim Wilson Crusade in the Spring of 1994.

"Total Church Life" continues to be the emphasis to exalt the Savior, equip the Saints and evangelize the sinner. A "Total Church Life" seminar was attended by your Associational Evangelism Chairman and was held at Southport.

Christian Life Report

In today's society there are many social, moral, economic and ecological issues facing our nation. As Christians in our nation we need to be kept aware of what the issues are and just what our responsibilities are as God's children.

Each day we are faced with issues such as abortion, pornography, child abuse, drugs, alcoholic beverages, hunger, prayer in school and etc. Do we as Christians realize that we have a responsibility to GOD, ourselves and future generations to stand up today and say enough is enough and let our government and the world know that we do care about what is taking place in today's society.

Let us in the local churches in Pee Dee Baptist Association be in the forefront of these issues that we are faced with daily and show GOD and others that we are concerned Christians. Let us be willing to follow the examples the JESUS CHRIST left us here on this earth. Let us show that one person or one association can make a difference in this world.

We want to thank each one that made a stand on the Liquor by the Drink issue in Rockingham, NC. Special thanks to Rev. Leon Hawks for the hard work and endless hours that was spent in bringing concerned Christians together to contact others and to encourage citizens to vote "no." Also we want to thank each person that had a part in this issue for allowing GOD to have his way in there hearts. May GOD have the glory, honor, and praise!!!

Brotherhood Report

This year has been a very busy and exciting year for the Pee Dee Baptist Associational Brotherhood, with many activities and mission trips going on.

In February we had a the race car competition with almost 60 boys competing. It was an exciting night of good clean fun and Christian fellowship. It seems that this activity is growing every year.

On the last day of February we had the Men and Boys Rally at Rockingham Motor Speedway. We had over fourteen hundred men and boys attend the Rally this year. This was one of the better years because we had the new "Dewitt Tower" totally reserved for the men and boys rally only. Because of the way this tower is constructed we were able to maintain strict security measures and no one but those attending the rally was able to access the tower. Because of this we expect to have a complete sell out this year, so don't delay in getting your tickets when they go on sale.

Perhaps the most challenging project this past year was the van project for the Belize missionaries. This project actually took almost two years from start to finish. With the help of many churches and individuals as well as many businesses were able to rebuild a van and deliver it to Belize, Central America. Six people from the association drove this van in an almost 3,600-mile trip to deliver the van when it was completed. We have been notified by Evangelist and others that the van is already doing the Lord's

work in Belize. For just one revival where the van was used to transport people there were 21 professions of faith. This project has proved to be a very worthwhile one and one that many believe to be most pleasing to God. The van project was completed in mid June.

In concluding my report I would like to challenge every church in the association to start a men's group if you do not already have one. You can be assured that it will be a rewarding and exciting organization if you get involved in various mission projects. There are just so many things that even the smallest church can do. I would be most pleased and happy to help any church get a Brotherhood started. Please call me if I can help or let the Associational office know.

Summer Camp

The Lord Blessed us with a great camp this year at Camp Pine Hill. Camp Pine Hill is located on Ebenezer Road, just off Highway 177 South, across the South Carolina line.

I would like to thank everyone who had a part in our camp. The Association staff, counselors, cooks, Bible study teacher, mission teachers, music teachers, volunteer help, everyone who donated items for camp, and the churches who sent your youth. You all made camp a success.

At the end of the week the youth were able to record the decisions they had made for Jesus. Some recorded more than one decision. Eight prayed to accept Jesus as their Savior. Eleven wanted to know more about Jesus. Ten prayed to rededicate their life to Jesus. Six knew they needed to make a public profession of faith. Thirteen decisions were made to ask Jesus to forgive them of their sins and remove the mask they had been hiding behind.

Our camp next year is scheduled for August 16-20. I hope your church will begin to make plans to go with us to camp.

Chairman/Camp Director

Ordination - Advisory Committee

The Ordination-Advisory Committee was requested to examine the following candidates:

Carroll Anthony (requested by Stewartsville)
Daryl Wrape (requested by Second Baptist)
Dennis McDonald (requested by Roberdel)

The Committee examined each candidate concerning his understanding of the Bible, Baptist Doctrine, and church practices and recommended that each church proceed with his ordination.

Respectfully submitted,
William W. Leathers III, Chairman

Discipleship Training Report

A Deacon/Spouse Banquet was held last November at Beverly Hills Baptist Church, Rockingham and was well attended.

We sponsored a seminar on "Satanism" at the Roberdel Baptist Church, Rockingham, in January of this year. Chaplain Norman Mitchell (from Cumberland County Sheriff's Department) was the leader. It was very informative and was well attended.

In April we held an associational Bible Drill with all the candidates going on to the State level and had several winners from the State Bible Drill. The association presented Bibles to each candidate for their participation. We hope to see more young people getting involved in our future Bible Drills.

We now have an Associational Discipleship Training Team (ADTT) who are ready, willing and able to help assist any of our churches in the area of Discipleship Training. Please contact Billy Dennis if you are interested in receiving this help.

Upcoming Events: Deacon/Spouse Banquet - October 22, 1992 -
First Baptist Church, Hamlet.

1991-1992

For the 10th consecutive year, the gambling industry has not been able to secure passage of any gambling legislation such as a lottery or pari-mutuel betting (horse and dog racing.)

The industry made its biggest push ever during the 1991-1992 legislative session. They secured 14 of the most effective and best known lobbyists that money can buy to push for their cause, but to no avail. When the legislature adjourned on July 24th, the gambling industry threw in the towel realizing that they did not have the votes in the NC House to pass their state-sponsored gambling bill, the lottery.

What made the difference? People like you did. You secured the commitments from your legislators that the role of government is not to exploit their weakened citizens, but to appeal to their strengths. Gambling violates that age-old principle.

There is one thing for sure. The pro-gambling forces will be back. However, the issue will be decided on November 3 at the General Election. If you elect legislators who are opposed to state-sponsored gambling, it will not make any difference how many lobbyists the gambling industry employs. The decision is in your hands. How do the candidates from your area stand on this issue?

There are other very important moral issues that you need to discuss with your legislative candidates. Some of them are:

1. SEX EDUCATION. . . Are our young people being deceived into believing that "safe sex" outside of marriage is possible and okay? The current rise in venereal diseases and teenage pregnancies, and the related emotional problems tells us we must focus attention on this issue.
2. ABORTION. . . The Supreme Court ruling regarding the abortion law of the state of Pennsylvania opens the door for further restrictions and conditions under which abortions can be performed - leaving this up to the states. This year we have have worked on trying to get legislation passed requiring abortion funding. Both of these measures passed in the House but died in the Senate.

3. ALCOHOL/DRUG ISSUES . . . It is so important that we continue to address problems related to alcohol use and abuse. Reducing the blood alcohol standard for DWI from .10 to .08 was one of our targets this year, but it also failed to pass in the Senate after passing in the House.

We cannot overemphasize the importance of getting to know who your candidates are and how they stand on these key issues. Plato put it so well: "The price that good people pay for not being involved in politics is to be governed by people worse than themselves."

Thank you for standing with us in the cause of applied Christianity.

Potter's House Report

Please share with your WMU and their age-level groups, Brotherhood and RA's as they make their plans for the new church year they can include us. Aside from the usual sorting, restocking tables and racks, repacking for storage, we do have special needs that take groups to help and strength of men and boys as well.

1. Carrying trash to dump.
2. Lifting and re-arranging heavy boxes in storage areas.
3. Arranging hospital beds in their storage area.
4. General over-all clean-up and ladder work.
5. Fixing and repair of bikes and toys for Christmas.

We have a new staff member as of August 1992. She is Mrs. Grace Blue from the Cartledge Creek Baptist Church. She will be working five hours a week.

We never dreamed just how far God would allow us to reach but we have shared clothing and had contact in all of the following areas: Kentucky, Virginia, Monroe, Mexico and Haiti.

Available are several items on loan: Hospital Beds, Crutches, Walker and Commode Extensions. **Your Church must request these items and be responsible of getting these items to the person in need of them and as soon as these items are**

no longer needed the church is responsible for getting them back to the Potter's House within two (2) weeks.

WANT TO SEE HOW GOOD YOU LOOK! Contact the Associational Office and borrow the tape from the Volunteer Appreciation Banquet that was held for the volunteers who have worked so hard in helping to keep the Potter's House running.

We will be receiving clothing donations from September through February for those of you who wish to donate items to us.

Thank you for your support and prayers.

Executive Board Report

NOVEMBER 19, 1991 - A motion was made that we recognize the Associational Secretary, Lanell Suggs, for her years of faithful work by giving her a trip to the Azores to visit her daughter and son-in-law. A substitute to the motion that we purchase her ticket and give her $200.00 spending money. The motion carried.

A motion to increase item #606 to $346.00 to cover the cost of insurance. The motion carried.

The AMDP recommends that we grant a request from Pat Patterson to lease the basement area of the Potter's House for a small engine repair shop with the rent being $100.00 per month. A motion was made to sub-lease subject to stipulations mentioned. The motion carried.

A motion to accept the proposed DOM job description. The motion carried.

A motion was made to give assistance to Bethel Baptist Church for November and December. It was stated that three other churches are also in need. An amendment was made to transfer $500.00 from #201 into #108 and give $200.00 to Bethel. The amendment passed. The original motion as amended passed.

JANUARY 21, 1992 - A motion to increase the hours of sales by four hours per week at the Potter's House and it be open for business from 1-5 p.m. on Wednesday and these hours to be determined by the associational council and Advisory Board of the Potter's House. After several minutes of discussion on the pros and cons of when to begin the extra hours the question was called. This carried. The original motion carried.

A motion that the four additional hours start the first Wednesday in February. The motion passed.

A motion that since the present job description of the Committee on Personnel is in violation of BYLAW VII-Committees, the Associational Council act in the capacity of this committee until such time as this job description can be adjusted to meet the Constitutional requirements. The motion passed.

MARCH 3, 1992 - (Called Meeting for the purpose of presenting a candidate as Director of Missions.) The Search Committee presented Rev. Wayne Tuttle as Director of the Pee Dee Baptist Association. The motion was passed unanimously.

APRIL 21, 1992 - A motion that the following serve in 1992-93: Sunday School Director - Doug Kennedy; Co-Sunday School Director - Marvin Wheeler; Discipleship Training - Billy Dennis; Clerk - Lanell Moree; Treasurer - Wilbur Sullivan; AMDP chairman - John Brady. The motion passed.

A motion that we buy a folding machine and that the cost not exceed $500.00 and that this money is to be taken out of Regular Saving. The motion carried.

A motion that the following recommendations be adopted. An amendment that the fourth paragraph be deleted. The amendment failed. The original motion passed.

The Pee Dee Baptist Association, meeting in Executive Board session, on April 21, 1992, voted to go on record as opposing the blessing of any Homosexual union or the licensing or ordaining of a practicing homosexual into the gospel ministry or giving approval in any way that this is an acceptable life-style.

The Scriptures clearly, in both the Old Testament and the New Testament, denounces homosexuality as a sin.

We must always love the sinner and provide Christian ministry to those persons, but we must do this without approving or condoning the sin. We need to remember that the same Christ who gave His life for us calls us to repent of our sin and live a redeemed life.

We also give our approval and urge the passage of the resolution brought by the elected officers of our Baptist State Convention that we not receive any more funds from churches that approve or condone such homosexual life-style.

The redemptive powers of Christ can never transform a person as long as we condone their sin and do not call them to repentance. We urge you to pray for these people.

A motion that since we would not be doing an associational mission trip this year that we give $500.00 to the men who are going to Belize to deliver the van and that this money be used for gas or whatever expense they need it for. These men are paying their own way and that's the least we could do. The motion passed.

JULY 28, 1992 - It was moved that the Executive Board give the Director of Missions the authority to buy a new copier and a computer and that he could spend up to $8,500 to purchase this equipment. The computer is to have a 33 mhz, plus 2 floppy disk and a 200 hard drive. Motion carried.

A motion was made that we give Cirilo Sanchez, our Spanish minister, $400.00 out of Mission Expansion so that he and his wife could attend the Spanish Pastor's Conference in Texas. Motion carried.

A motion was made that Rev. Cass Vincent be made a liaison between the Polish Baptist and the Pee Dee Baptist. Motion carried.

Lanell Moree, Clerk

AMDP Report

The year 1991-92 has been a transitional year for AMDP. We are working with our new Director of Missions on a vision to carry out our mission. In the midst of our transition many have continued to work hard reaching out in Jesus' name to our communities.

Our fair ministry, now led by Charlotte Brunson, continues to be an effective outreach in both Richmond and Scotland Counties. The theme was "Lifting up the Name of Jesus." Tracts and other items with the message that Jesus loves you were given away. Others communicated Jesus' love through clowning and face painting. The fair workers were served cake in an effort to show them the love of Jesus. Cups were given away with the name Pee Dee Baptist Association printed on them and pictures of the different ministries that we are involved in.

Our Summer Camp, held at Camp Pine Hill and led by David Sparks, was a great success. There were 43 campers and out of these 43 campers there were eight who made professions of faith and ten rededications. God's hands were evident in the weeks

activities.

Our Prison Ministry is involved with the Angel Tree project sponsored by Charles Colson's Prison Fellowship and the WMU still sponsors the Christmas packages for prisoners.

Wilbur Sullivan continues in his post as our Chaplain to the retired at Holiday Village. His ministry seeks to involve these senior adults in a vital relationship with God.

Bob Page, our associational Brotherhood director led a mission trip to Belize, Central America in June of this year. The purpose of the trip being to deliver a 1984 Ford Van. This van is being used to help with the reaching of the people in Belize for Christ.

Our Hispanic work, led by Cirilo Sanchez, put an emphasis this year on leadership training. Our association is also involved in a renovation of the Candor Hispanic Church building. Over the next few months we hope to make a big difference in the quality of that building.

We ask that you all pray that God will continue to work in our midst as our churches seek to do His will.

John Brady, Chairman

1992 Prison Ministry Report

Statistics of work this year:

Messages delivered	263	Visits to Unit	195
Counseling Sessions	83	Conversions	4
Rededications	4	Classes Taught	36
Tracts & Periodicals	790	Bibles	13
Hospitals/Homes	4	Church Awareness	1
Music Services	2	Miles Traveled	1,685

SUMMARY OF ACTIVITIES:

Statistically, one might view this as an uneventful year in prison ministry. However, we have seen many good things taking place. We have seen growth in the spiritual lives of our small, but dedicated group who attend services.

Prison Fellowship, led by Fred Kensler, has been holding a series of training sessions on the Basics for Volunteers in Prison Ministry. There has been excellent attendance from both counties and a variety of denominations. Prison Ministry is an exciting experience. I challenge you to get acquainted at the Richmond County or Scotland County Unit.

Mr. Kensler and your Chaplain worked together preparing for Revival services which began September 24-27 and continuing October 1-4. Special guest singers included Paul Smith, formerly with the Imperials and Mark and Mita Pogue.

Throughout the coming year, continue to pray for all involved in prison ministry and especially for the inmates. God is working in our lives!

Liberty Koontz
Richmond County Chaplain

Retirement Center Chaplain's Report

Our Retirement Center at Holiday Village, led by Rev. Wilbur Sullivan, is still going well. Bible Study is done each Thursday night for the residents there. We have had several special dinners over the past year. During the summer we had an outing to the Golden Skillet in Maxton and had homemade ice cream on several different occasions. I want to express my thanks to Mrs. Margie Sullivan and Mrs. Ethel Bateman for all the help they have given. Remember this ministry in your prayers.

Wilbur Sullivan

Pastoral Ministries Report

The Pastoral Ministries joined the WMU to sponsor our Pastoral Appreciation Dinner in August. Rev. David Sparkes, pastor of Mt. Olive Baptist Church, was awarded the Pastor of the Year Award. We had over 200 in attendance. The Pastoral Ministries also joined the Discipleship Training Department in sponsoring a Deacon/Spouse Banquet.

Lewis McLean

Scotland County Prison Chaplain Report

The work at the Wagram Prison Unit has progressed well in the past year. We had a Prison Fellowship Seminar entitled "Loving Others." A 10-week follow-up of this seminar was done with 22 of the inmates participating in it.

Back in August there was a Bluegrass Gospel Concert with the Power Brother's of High Point, NC and it was well attended.

We have just finished a Bill Glass Crusade, called "Week-end of Champions." This crusade was sponsored by Prison Fellowship as a result of it there were six men who made their profession of faith and nine rededications. Bible Study and Worship Services are still going on.

We are doing an on-going volunteer training through December 1992. Beginning January 1, 1993 all volunteers will have to have had this training in order to help in the volunteer program.

The Biblical Recorder

Last year we reported to you: "The Baptist world is changing rapidly; some would contend it is for good while others think it is nothing short of a tragedy." In these past 12 months, the changes are beyond description--on the world scene and in Baptist life.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The *Biblical Recorder* was born and continues to serve for that purpose. Never was the *Recorder* more needed than now.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where we often think we know the answers to the issues only to discover we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the *Recorder*, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church newsletter incorporated into the *Biblical Recorder* which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:
